

IZAAK WALTON MARSHALL COUNTY CHAPTER IZAAK WALTON NEWSLETTER – MARCH 2021

To strive for the purity of water, the clarity of air, and the wise stewardship of the land and its resources; to know the beauty and understanding of nature and the value of wildlife, woodlands and open space; to the preservation of this heritage and to man's sharing in it, I pledge myself as a member of the Izaak Walton League of America.

PRESIDENT'S MESSAGE

As the weather improves and enjoying the outdoors becomes easier for all of us, remember that the Ikes has lots to offer; the pond, walking trails and the shooting range are only a couple examples of things to do on our club grounds. **We do ask that all vehicles be kept on the gravel** to prevent damage to green spaces. Thank you and enjoy the outdoors!

QUICK REMINDER

The gun ranges close at 7 pm or dusk, whatever comes first, this is especially important to remember this time of the year when days are shorter. We have received reports of people shooting after dark.

ANOTHER BIT OF NEWS

- At the February 10th Board meeting, the Board approved the purchase of a grapple attachment for the tractor to help with grounds upkeep.
- At the same meeting, the purchase of Christmas tree seedling was also approved.

SPECIAL MESSAGE

- **It is that time of year again and your key to the gate needs to be recut at TriState. Only the new keys work now, don't be locked out of the fun!**
