

# IZAAK WALTON NEWSLETTER – OCTOBER 2020

## PRESIDENT'S MESSAGE

The Marshall County Izaak Walton League of America held a Hunter Education class on Sept. 26. Presentations were made by DNR officer Tyson Brown, and Marshall County Conservation Board Director Mike Steggman. Ike's Volunteers Helping with class instruction were Tim Powers, Ed Moore, Dick Kelly, Shannon Jelken, Garry Brandenburg and Terry Strand. I would like to welcome all these class participants to the “hunter” community and wish them all a safe and successful season. Below is a picture of those in attendance.

**Sept. 26 Hunter Education class**

Ed Moore and Tim Powers have been busy rebuilding the gun range and have done a great job, the range looks great! Thank you guys for all the work you have completed!. As a reminder, please refrain from shooting at or towards poles or anything other than targets. If you haven't done so yet, I encourage you to check out the nine new bow targets recently rebuilt and installed by Jim Sams. These targets will give us all a great opportunity to practice and sight-in our bows for years to come, once again thank you!.

Volunteers have been busy cleaning the ground and trails, a huge THANK YOU goes out to them!. I would like to send a special thanks to Barry Gaarder and Mark Dolash for many days of mowing and trail cleaning. If I forgot to mention anyone in this or last month's newsletter who has volunteered any amount of time at all at the Ike's lately, please accept my apology.
