## PRESIDENT'S MESSAGE

Happy Almost Halloween Everyone, it's officially deer season, and October seems to be the month to really kick off the holidays. That being said the temperature is going to start changing and so will animal movement patterns, so please be mindful of that. Anyone interested in doing 3D archery shoots, we ask that you reach out to myself or Ed Moore. We need a certain level of interest before we can move forward with any construction. We are looking to do more events for the community and to draw more new members in. If anyone has ideas I would love to hear them.

As always, **THANK YOU!** for supporting your local Ike's chapter!
